To: All landowners of Grant County Ditch No. 21 and interested parties,

A landowner meeting for Ditch 21 has been scheduled for 10:00 AM, Thursday April 28th at the Herman Community Center (416 Atlantic Ave S, Herman, MN 56248 in the Council Room). The purpose of this meeting is to review the recently completed petition for improvement made by Rinke Noonan Law Firm, along with an additional petition for repair made by an individual landowner.

I am requesting that members of the Bois de Sioux watershed district and Moore Engineering attend this meeting. It is my understanding that the petition for improvement must be made to the Bois de Sioux watershed district and if accepted the watershed district will be the governing drainage authority.

If you are unable to attend this meeting in person but wish to attend virtually, please send me an email and I will create a zoom meeting for your convenience.

Sincerely,

Aaron Beyer
